Breeder/Seller, Kittensalong, and Purchaser agree to the following:

Sales are for non show / pet-price only (non-breeding rights unless we have an agreement) Registration papers are \$200.00 extra. They can be provided upon request at the time of the sale. Once we have proof of the spayed or neutering of your kitten, your papers will be mailed to you.

Breeder/Seller agrees to provide the health records of all deworming, parasite treatment, up to date on all vaccinations, labels showing serial number and expiration dates. A health checked & microchipped are done by our Cattery Veterinarian, Dr Mark Lamml of CLS Veterinary Clinic 83690 NE-57 Stanton, NE 68779 402-439-5170

Buddy ID microchip information on how to register the microchip. All will be included with the health records. The purchaser is responsible for registering the microchip. Breeder/Seller will not be responsible for any Veterinary Bills after the kitten leaves our cattery.

Both Breeder/Seller & Purchaser agrees that the Wait List fee (if any) & Reservation deposit will be deducted from the purchase price. The Reservation Deposits are non-refundable, if the purchaser elects not complete the purchase. The deposit \$300.00 can be made with Venmo or PayPal. The balance due in cash at pick up.

Purchaser agrees to take the kitten to a licensed veterinarian, at your cost, within 1 week to assure that the kitten is healthy and free of all genetic disease. The purchaser agrees to maintain their veterinary recommended for the health examinations and vaccinations schedule for the life of the kitten. Purchaser agrees to provide a caring and safe environment for the kitten throughout its life, free from neglect, abuse and will not declaw the kitten (just clip the tips of nails off every 2 weeks or so). Purchaser agrees to feed the kitten/cat high quality food such as Life's Abundance all stage dry food in the orange bag, available all the time & a bowl of water. They will not over eat, but they do like to nibble all day. Then just a ½ can (2 ½ or 3 oz) of soft food once a day.

Website to buy the Lifes Abundance cat food : <http://lifesabundance.com/kittensalong>

Purchaser agrees to share at least one current picture of the kitten with a testimony of your experience with us within the first year of ownership. The breeder/seller reserves the right to use any received photos & stories for our website, social media, Instagram, Snap Chat or Facebook for advertising/promotional purposes. None of your personnel information will ever be shared.

Breeder/Seller's health guarantee covers the death of the kitten due to genetic defects for one year. An autopsy report from a licensed veterinarian is required with the microchip number. A replacement kitten will be given on next availability ensuring other previously existing reservation agreements are not breached. Health guarantee is considered null and in void if the purchaser does not fulfill and comply with the terms outlined in this document.

Purchaser agrees to not resell/re home the kitten without explicit agreement with the breeder/seller. If the purchaser is unable to care for the kitten the purchaser must contact the Breeder/Seller for options including but not limited to the breeder /seller taking over ownership of the kitten. No refunds will be given. (The only exception is, if we do a t-shirt test, please ask for details)

Purchaser agrees to spay/neuter the kitten at the age of 4 to 6 months per advice from their veterinarian.

Purchaser agrees to pay the entire balance of payment due in cash before the kitten leaves the Breeder/Seller, whether departure by pick-up, delivery or departure by shipping/transport (air or land).

Purchaser understands that the Breeder/Seller can make no guarantee on future coat color, markings, individual kitten allergen levels, personality changes, behaviors, weight, size, or other physical attributes.

The BREEDER/SELLER reserves the right to repossess the kitten at anytime in the event of failure or refusal of PURCHASER to comply with the terms or conditions of this agreement. If cat/kitten is found to be neglected or mistreated, BUYER will surrender cat/kitten to BREEDER, unconditionally.

By signing this document, the contract, the Breeder/Seller and the Purchaser, consider it to be legally binding contract under all circumstances and in all courts of law. This sales agreement is non-transferable to other parties. This agreement is not to be superseded by any other agreements, be they written or verbal, unless accompanied with signed documentation outlining the new agreement or amendment by both parties.

Getting your Kitten to you!

1. You are welcome to come to Madison, Nebraska 68748 to pick up your kitten.
2. We can deliver your kitten to your home or meet you somewhere along the way for a fee for the delivery by car is \$1.50 per mile one way.
3. We can ship you kitten to your unattended with American Airlines. I would be happy to get all the information for you about this. The Buyer will be responsible for all costs.
4. You can fly into Omaha (OHA) Eppley airport. Breeder/Seller will meet you at the airport. You will need to add your kitten to your return ticket and provide us with a list of what you need to board the plane with your kitten as each airline has different requirements. We will provide everything required to travel with your kitten. Our fee for this service is \$350 as it is a 4 hour round trip for us. If a Nebraska Health Certificate is needed keep in mind they are only good for a 14 day period.
4. We would consider flying with your kitten at your expense for the airfare for one of us and the kitten. It would need to be a round-trip, one day flights or you would be responsible for any of our nights lodging & transportation cost to and from the airport. Again we would need a list of what would be required to fly with your kitten. We will provide everything required to travel with the kitten. Also remember to add the kitten to our flight. Our fee for this service would be \$400.
5. Hiring a pet carrier service is also a choice the purchaser may consider. The purchaser would be responsible for all fees.

The kittens are ready to go home!

They will be ready between 8 and 12 weeks depending on the individual kitten. This means a the kitten will fully weaned, litter trained, up-to-date on all vaccinations, deworming, free of parasites, and will be micro chipped. The breeder/seller will send a "going home gift bag" of toys, feather stick, food, health records and microchip information. Along with a blanket with the mother sent to help your kitten with the adjustment to their new home. I also put a calming collar on your kitten. I will help to keep it on your kitten for a day or so. If you store it in a ziplock bag in the freezer you can use when ever you need to like trips to the vet. When your kitten 1st gets home it's a good idea to give them a bath, as the stress of going home can cause the kitten to release more of the Fel-D1 protein in their saliva. When they clean themselves, the protin drys on their fur which can causes an allergic reaction. We suggest that you keep the kitten somewhere quiet like a bathroom or utility room. Keep a bowl of water and a bowl of dry food (Lifes Abundance) available at all times, then 1 small 3oz can or ½ of a 5.5oz can of wet food once a day. Place the blanket we send in the carrier with the door open so the kitten can go in & out when they feel safe & comfortable. Along with a litter box & toys just for a day or two. Please don't worry as they may not eat or use the litter box on the first day. It should not take more than a week for your kitten to be completely comfortable with your family. You will want to hold your kitten several times a day, use a feather stick, toys to play with your kitten, as this will help with the adjustments to their new home.

1.

Also we offer a discount for any additional kittens you may want!

We will be happy to give you a "finders fee" if someone you refer to us purchases a kitten.
